How to view a Pairing Code in Manage.

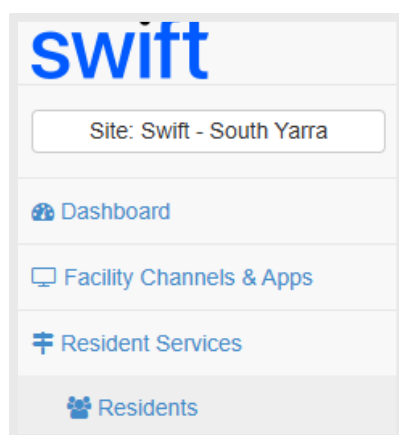

Swift Manage is where you can view the Swift Care Pairing Code for each resident, along with the Pairing Code for your facility.

How to view a **Resident** Pairing Code.

Step 1.

Login to Swift Manage <https://manage.swiftnetworks.tv/login>

Step 2.

Select Resident Services > Residents.

Step 3.

Search or scroll for your chosen resident.

Step 4.

Name	Date of Birth	Room	Pairing Code	Families
Mr Simon Williams	1935-06-02	Meeting Room	9JF9ZVCZ	Manage Members (0)
Mrs Suzanne Mackenzie	1940-06-05	Skye's Room	Q5EFN4HR	Manage Members (0)
Olive Pisalidis	2023-09-25	Demo Room	XVF7WXFP	Manage Members (1)

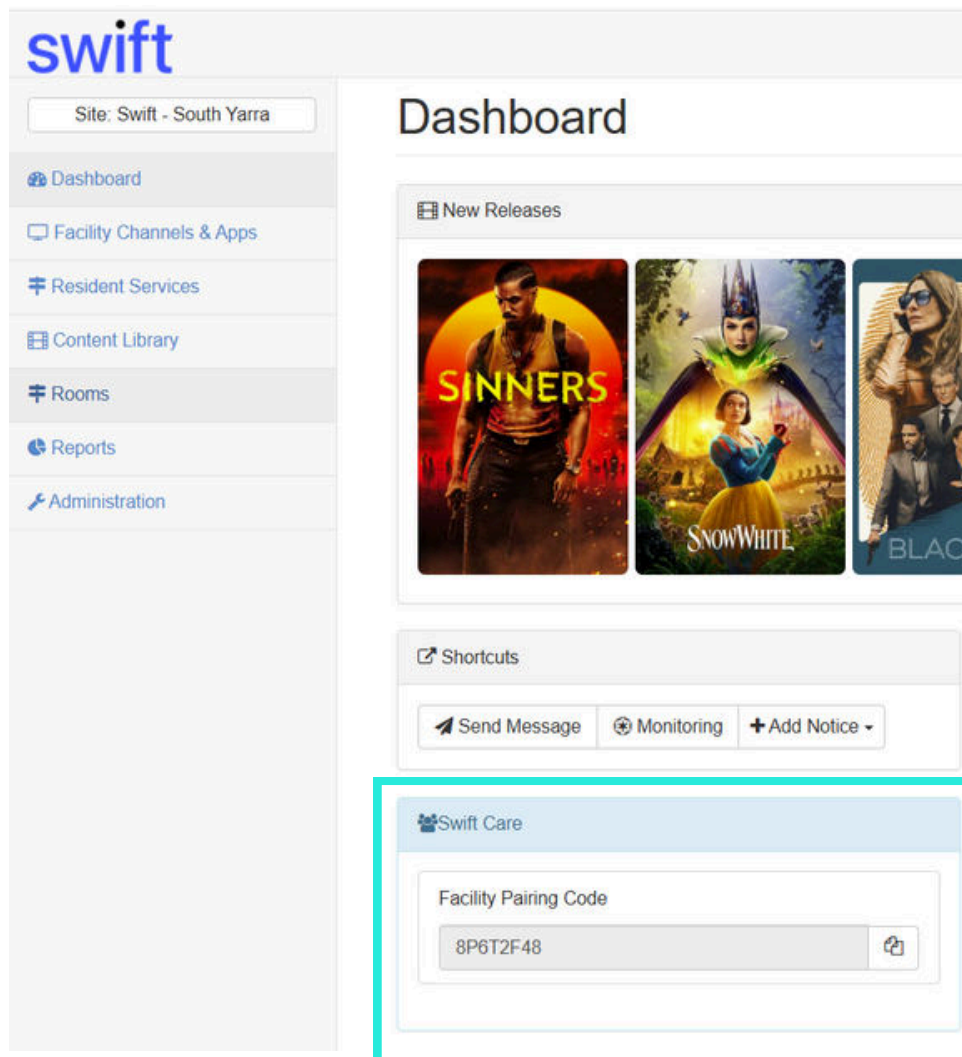

The Pairing Code is listed along with the resident name, room number, date of birth and paired family members.

How to view a **Facility** Pairing Code.

Step 1.

Login to Swift Manage <https://manage.swiftnetworks.tv>

Step 2.

From the Dashboard you can view the Facility Pairing Code on the bottom of the screen.
