

Welcome to

Swift Access.

A guide for families and friends

Swift Access is not your standard TV.

Step into a world where your TV isn't just a screen but the heartbeat of your community. At Swift, we're all about making connections. Our cutting-edge technology transforms TVs into more than just entertainment hubs; they become lifelines, fostering a sense of belonging and inclusion. All while keeping it simple and accessible, such as larger fonts and personalised recommendations.

Introducing Swift Access – your bridge to staying close to your loved ones and immersing them in the vibrant tapestry of community life.

With unique features like our Swift Care app, freely available for download, you're not just sending photos and videos; you're sharing precious moments directly onto the TV screens of those you cherish and easily receive updates from staff.

Imagine Gran delighting in family updates and shared memories, all from the comfort of her room.

Discover how Swift Access is revolutionising community connections and empowering inclusive communities in this introductory guide to Swift Access!
